

Twin Harbor Office Closure FAQ

Obtaining your records

The office can send a complete copy of your records to the office you establish care with. We do need a completed records request form. You can get that [here](#). Please fill the form out, save to your computer and email to info@twinharborsmiles.com or print, fill out and email/mail back to our office.

Why is the Practice Closing?

The decision to close the practice was not made lightly. While we are unable to discuss specific details, our focus is on ensuring all patients receive the support they need to continue their orthodontic care and obtain their records.
